MENTORS

CONNECTING WOMEN WITH MINING INDUSTRY LEADERS

Take your career to the next level at this exciting auction event. Network with industry CEOs and bid on a one-hour mentorship session with some of the most celebrated leaders in the mining industry. The auction is open to everyone. Men can also bid but they must nominate a female colleague or student as the participant in the mentorship session.

AUCTION PROCEEDS SUPPORT MINERVA BC.

Founded in 1999, Minerva BC is a charitable organization that elevates the visibility, influence and contribution of women. They deliver leadership development programs for girls and women, and work with organizations to address systemic barriers that impede the advancement and equality of women. Together they are changing the face of leadership in BC.
